Sediver® High quality toughened glass insulators

[sediver.com](http://sediver.com)

# SE DIVER

Experts & Pioneers

## SEDICOAT

1. High-performance silicone coating with a fully controlled, industrial application process

2. Improves the performance of the toughened glass insulators in polluted environments

3. Eliminates the need for regular washing of the insulator

4. Combined with all the benefits of a high quality toughened glass

# SEEDIVER

Experts & Pioneers

**High quality** silicone coating

**Retains** the inherent glass visual inspection features

**Hydrophobic, water-repellent** properties

**Reduces risk of flashover** due to pollution

**Keeps all the benefits** of a toughened glass insulator

**Increases the performance** of glass in polluted environment
